13 April 2025 - Olive Garden, Manchester NH

The April gathering of the group was held at Olive Garden Restaurant in Manchester NH with 15 members present. Jennifer and Spencer could not be present since Jennifer is recovering from a broken leg. Jim Belanger and Greg Thayer conducted a brief review of the events and finances. The group voted to have the group treasury pay for the deposit given to Travelers Woods in Bernardston, Mass for the October campout. This will likely result in a small reduction in everyone's weekend cost when they arrive and register. The Rocheleau's passed around detailed info on several campgrounds to consider for the 2026 season. London Loukx handed out some flyers for members use which shows our schedule and some to pass on to prospective new members. There was no other business to conduct and no formal meeting was held.
