

## **Summary of 2026 Wheeler Meetings**

### **16 May 2026 - Shir-Roy CG - Richmond NH**

Meeting opened at 0930 with 7 Member Families present. There were no guest and no new members proposed. Secretary had nothing to report and Treasurer gave a summary of income/expenses. Wagon Master reminded everyone that we need to get a member to select a weekend next year, 2027, and plan, organize and ensure all work is done for a weekend campout. Volunteer members are asked to ensure the campground they select has adequate space and facilities for a group of 10 to 14 rigs. Campgrounds that were used in prior years are acceptable since they are known to have accommodated us in the past.

A vote was taken to return to Shir-Roy for May 2027. Birthdays and Anniversaries were recognized. There is no new news on Greg Thayer since the last group email was sent out. Since then, the Thayers opted out of membership to the Wheelers. Larry Colby is doing better but is facing a long recovery. Jennifer Belanger is doing well with her right knee replacement and is expecting to replace the left knee next year. There was no 50/50 drawing at this meeting. Meeting closed at 0945.
